RE: CRIMINAL CASE NO. 05-10224-GAO; UNITED STATES OF AMERICA vs. J.C. ANDERSON

To whom it may concern:

Please file and docket the enclosed letter of correspondence between client and court-appointed attorney. Be advised this correspondence is to be filed for purposes of protecting and preserving my rights by virtue of recording my request for necessary transcripts. These transcripts are crucial to enabling me to file for post-conviction relief (2255). To date, my requests for the subject transcripts have gone unfulfilled and therefore preserving my timely request for the transcripts in the record becomes necessary to provide for a claim of excusable neglect should circumstances conspire to compromise my ability to timely file for post-conviction relief.

Thank you for your assistance in this matter.

Sincerely,

J.C. Anderson

RE: REPEAT REQUEST FOR TRANSCRIPTS OF SENTENCING AND PLEA HEARINGS

Dear Ms. Hedges:

Once again, I make formal request that you send me a copy of the transcripts for both my sentencing hearing as well as the transcript of my plea hearing. I am becoming very concerned about the impending deadline for submission of a 2255 for post-conviction relief. So, please consider this a time-sensitive request and handle this matter as soon as possible.

Please be advised that I feel compelled, in order to protect and preserve my rights, to send a copy of this correspondence to the Clerk of the Court in order to preserve this transcript request in the record.

Finally, if I have not received the requested transcripts within 30-days, I will find it necessary to file a complaint with the Massachusetts Bar. I sincerely hope that you timely respond to this transcript request allowing any unplesant action to remain unmanifested.

Thank you in advance for your anticipated cooperation and assistance.

Cordially,

J.C. Anderson
